What you need to know about our services
and how we will work with you

Documents you may receive

When we provide credit advice, we will conduct a preliminary assessment to determine the suitability of a particular product. This is normally documented and provided to you in a Record of debt advice, or a Credit Proposal. We will retain a record of the debt advice or Credit Proposal, which you may request by contacting our office within seven years of the assessment. We will only provide recommendations to apply for a particular credit contract with a certain lender or increase the credit limit of a particular credit contract where the contract meets your needs and objectives and is not unsuitable to your circumstances.

I am a Director of Duncan Financial Advisers Pty Ltd trading as Jade Financial Solutions and I am paid all fees and commissions I generate for the business.

How we work with AMP Financial Planning

We are a privately owned and managed business. Our practice and the representatives listed in this document provide services to you as credit representatives of AMP Financial Planning.

Our relationship with AMP Financial Planning allows us to access education, professional development, technological administration systems, compliance and other risk management services and advice solutions in relation to the credit services that we are authorised to provide to you.

AMP Financial Planning is authorised to allow us to provide credit assistance to you on its behalf.

Together with AMP Financial Planning, we act on your behalf when providing advice and services to you.

Other benefits we may receive

The following is a list of benefits we may receive other than those explained elsewhere in this document. These are not additional costs to you. These benefits may be monetary or things like training, events or incentives we are eligible for.

In addition to the payments we may receive for our advice and services, we may receive other support services from the licensee. We may also be eligible to receive financial and training assistance, prizes and awards or events in recognition of financial planning excellence and innovation, and business performance. These benefits are paid at the licensee's discretion and the amounts are set by the licensee from time to time (usually on an annual basis).

Development, management and advice recognition

We may be eligible for Development management and advice (DMA) recognition payments based on our performance relative to other AMP Financial Planning practices in the previous year. Up to 30% of all AMP Financial Planning practices may be eligible for DMA payments.

The DMA payment is based on a percentage of our practice revenue. Our DMA percentage will be set annually and may range from 0% to 10% depending on our ranking. The relevant percentage is then applied to our practice revenue and the resulting payments are received twice a month (the "payment period")

For example, if our DMA is set at 3% and our revenue for the payment period was \$8,500, we would receive $\$8,500 \times 0.03 = \255 . Assuming an average revenue of \$8,500 per payment period, the total DMA payment received in a year would be $\$255 \times 24 = \$6,120$.

How our performance is ranked

Ranking of practices is determined yearly by a points system which is a broad measure of the growth and professionalism of our practice as compared to other practices in the AMP Financial Planning network. The points system is based on a combination of factors within a balanced scorecard such as the quality of our services, compliance, our business goals and our engagement with our clients through a measure called Advice Growth Index (AGI). AGI measures the value of our fee for service revenue and the change in our clients' product holdings over the prior measurement period (usually a period of approximately 12 months).

Business growth advice payments

All practices within the AMP Financial Planning network are eligible for Business Growth Advice (BGA) payments.

BGA payments are set at 1% of our practice revenue. Payments are received twice each month. For example, if our practice revenue was \$8,500 in a payment period, we would receive $\$8,500 \times 0.01 = \85 . Assuming an average revenue of \$8,500 per payment period, the total BGA payment received in a year would be $\$85 \times 24 = \$2,040$.

Business buy-back option

If we leave the financial services industry or can no longer appropriately service a selection of our clients, AMP Financial Planning will either look after our clients or appoint one of its authorised representatives to do so.

If this happens, AMP Financial Planning makes available a facility for practices to transfer the servicing rights of their clients. The valuation will vary depending on certain factors including the annual recurring revenue of our practice and the level of our service standards.

Personal and professional development

AMP Financial Planning provides personal and professional development opportunities in the form of education and professional development programs, offered annually to qualifying practices.

— Summit

The Summit is a national convention available to advisers from all AMP Financial Planning practices. AMP Financial Planning subsidises the expenses of those who attend the convention up to a maximum value of \$1,200 per annum per practice.

— Education and professional development program

AMP Financial Planning will subsidise the cost of our participation in approved education and professional development programs if we meet specific qualification criteria. The qualifying criteria is based on a combination of factors including the quality of our services, our business goals and our ranking against other practices in AMP Financial Planning. The maximum amount of this subsidy is \$12,000 per annum per practice. Advisers are able to allocate a percentage of their grant towards travel and accommodation to attend an approved course.

— Amicus program

In addition to the above, certain practices that meet additional qualification criteria will be eligible to participate in the Amicus program, an additional personal and professional development program organised by AMP Financial Planning. If a practice qualifies for the Amicus program, AMP Financial Planning will subsidise the cost of their participation up to a maximum value of \$15,000 per annum per practice.

Our approach to selecting products to meet your needs

Accredited Mortgage Consultants of AMP Financial Planning can recommend loans issued by AMP Bank. Those with the relevant additional accreditations, can access loans through AFG. It also provides some other ancillary services.

As at March 2018, the lenders whose products are most commonly recommended by Accredited Mortgage Consultants authorised by AMP Financial Planning are:

- ANZ
- AFG Home loans
- Commonwealth Bank
- National Australia Bank
- Macquarie Bank
- AMP Bank
- Westpac
- ING
- Suncorp
- St George Bank

For details on the credit services we can provide, please go to *The credit services I can provide you* section.

While there may be other products and services also suitable for you, we can only advise and deal in products and services approved by AMP Financial Planning. We can provide you with a copy of the approved products and services list if you request.

Our services and costs

Advice and service fees

The following section outlines the advice and service fees we charge when you ask for our help. These are fees paid by you when you have agreed to receive our advice and services.

If we agree to charge a fee for our credit activities, including implementation of any loans, we will provide you with a quote and gain your acceptance before we proceed. Where we do not provide you a quote, there will be no charge directly to you for these activities and we will receive commissions from the lender only. All fees and commissions are inclusive of GST.

Mortgage Broking	Up to \$2,000
As a Mortgage Broker we go between the borrow and the lender (usually a Bank) who negotiates the loan on your behalf. We will do the legwork on researching products on the market from the hundreds available and then support you through the application and settlement process.	

Commissions

Commission may be payable by the lender once your application for credit has been approved. Any commission amounts will be disclosed to you when providing our advice. These amounts are paid to us from the lender. They are not an additional charge to you.

As a guide we may receive:

- Up to 1.10% of the initial loan balance, of which AFG retains between 0-3% and passes the remaining 97-100%* on to AMP Financial Planning. AMP Financial Planning then retains 2.5% of this and we will receive the remaining 97.5%.
- For example, if your loan balance was \$100,000, the initial commission would be up to \$1,100, of which AFG retains up to \$33 and AMP Financial Planning receives \$1,067. AMP Financial Planning then passes \$1,560.49 on to us.
- Up to 0.55% of the outstanding loan balance each year, of which AFG retains between 0-3% and passes the remaining 97-100%* on to AMP Financial Planning. AMP Financial Planning then retains 2.5% and we will receive the remaining 97.5%.
- For example, if your outstanding loan balance was \$100,000, commission would be up to \$550. Of this, AFG retains up to \$16.50 and AMP Financial Planning receives up to \$533.50. AMP Financial Planning then passes \$520.16 on to us.
- For deposit bonds, an upfront commission of up to 22% of the deposit bond fee may apply, of which AFG retains between 0-3% and passes the remaining 97-100%* on to AMP Financial Planning. AMP Financial Planning then retains 2.5% of this and we will receive the remaining 97.5%.
- For example, if your deposit bond fee is \$400, the commission would be up to \$88, of which AFG retains up to \$2.64 and AMP Financial Planning receives \$85.36. AMP Financial Planning then passes \$83.23 on to us.

*Where the lender is AMP Bank, 100% of commissions received will be passed on to the Licensee and then distributed by us accordingly. In all other circumstances, 97% of the commissions received will be passed on to the Licensee and then distributed by us accordingly.

All fees and commissions are inclusive of GST.

All fees and commissions will be paid directly to AMP Financial Planning as the licensee. They retain 2.5% (a licensee fee) to cover their costs and the balance is passed on to us. The percentage is determined annually, based on a number of factors, including our business revenue for the prior year.

Australian Finance Group (AFG)

AFG is an aggregator and it acts as a gateway or interface between mortgage brokers and lenders by providing an IT platform through which brokers submit loan applications and deal with lenders as well as some ancillary services.

Lenders may offer incentives that are paid directly to the Accredited Mortgage Consultant by the lender. These may include indirect benefits for example business lunches, tickets to sporting or cultural events, corporate promotional merchandise and other minor benefits or direct benefits.

Accredited Mortgage Consultants may be invited to attend the AFG National Conference. This is an annual event which offers Accredited Mortgage Consultants the opportunity for professional development and to hear industry updates and educational presentations by AFG and lender sponsors. AFG subsidises some costs of attendance, which may include meals and accommodation. The value will depend upon a range of factors, including the nature of the courses and events planned.

Any benefits that we may receive that are related to a loan recommended to you which is regulated by the National Consumer Credit Protection Act, will be disclosed in our advice to you prior to application.
